The Global Forensic and Justice Center (GFJC) at Florida International University will host the 8th Annual Forensic Science Symposium May 1-2, 2019. Submissions for presentations and posters are now being accepted.

Proposed topics for the Symposium should focus on what impacts today's forensic laboratories, including:

- Accreditation and standards
- Rapid DNA
- Cognitive bias
- Digital evidence
- Opioid crisis
- Recent research
- Quality management

Submit your abstract here along with a brief bio by **January 15, 2019**. You will be notified no later than **February 15, 2019** regarding acceptance status.

Registration and sponsorship information will be available soon.
